The work of the problem-solvers
of our industry is never done.

Dear Sponsor/Exhibitor,

Thank you for your interest in the 2023 API Storage Tank Conference & Expo.

The program Planning Committee has been hard at work developing a fantastic program for 2023, and we are excited to see everyone in-person this October.

We are pleased to provide 2023 sponsor/exhibitor information below. The 2023 Conference and Exhibition will follow the October 9-10 API-NFPA Safe Tank Entry Workshop, and the October 10 STI-API Course.

NOTE THAT ALL SPONSORSHIPS INCLUDE AN EXHIBIT BOOTH. PRIME BOOTH LOCATIONS ARE RESERVED FOR SPONSORS AND NOTED ON THE CONFERENCE WEBSITE.

If you are a returning sponsor, you can purchase your sponsorship online immediately.

If you are a new sponsor, you can purchase your sponsorship online **April 26, 2023**.

If you are a returning exhibitor, you purchase your exhibit booth online **June 2, 2023**.

If you are a new exhibitor, you can purchase your exhibit booth online **June 23, 2023**.

As you are aware, the API is not a “trade show company”, and this conference prides itself in being “conference first”, with a program targeted to high-level tank professionals. As result, each year we limit the total number of booths to 35 exhibitors. We find that this ratio of exhibitors to attendees is the “sweet spot” for both audiences.

Because all sponsorships include an exhibit booth, the number of exhibitor only booths available is dependent on the number of sponsors. To guarantee a booth—and certainly a prime location—I encourage you to consider sponsoring.

Please check www.api.org/storagetank to purchase.

Sincerely,

Matthew Cunningham
