

2023 API Pipeline Information eXchange Agenda

November 14-15, 2023 | Houston Westchase Hilton, Houston, TX | [Meeting location Information](#)
PIX Information: [2023 Pipeline Information eXchange \(PIX\) Meeting and Workshop - American Petroleum Institute Events \(api.org\)](#)

**As of November 8, 2023*

Tuesday, November 14, 2023

8:00am – 5:00pm CDT **Registration**
Location: Omni Foyer

1:00pm – 4:30pm CDT **API Workshop – Leak Detection Program Key Performance Indicators (KPIs)**
Location: Omni A/B

Wednesday, November 15, 2023

7:00am – 1:00pm CDT **Registration**
Location: Omni Foyer

7:00am – 8:00am CDT **Breakfast**
Location: Omni Foyer

8:00am CDT
Location: Omni Ballroom

Welcome and Facility Safety Briefing/Orientation

- Mark Piazza, API

Opening Remarks

- Chris Chandler, Executive VP and COO - Plains All American

Process Safety and Integrity Incidents at Pipeline Facilities

8:15am CDT
Location: Omni Ballroom

PANEL MODERATOR: Mark Piazza

- **Normalization of Deviance and Process Improvements Following Tank Overfill Event (20 Minutes)**
 - Karis Hackmann, Colonial Pipeline Company
- **An Imperfect Storm – Alignment of Factors Lead to Tubing Failure (20 Minutes)**
 - Vicente Godoy, Trans Mountain Canada
- **MCC Flash Fire at Propane Loading Rack (20 Minutes)**
 - Brad Dooley, P66
- **Meter Station Fire Caused by an Electrical Fault to Ground (20 minutes)**
 - Will Caillouet, P66
- **Panel Q&A (5 Minutes)**

Application of Lessons Learned from Incident Analysis (Session 1)

9:45am CDT
Location: Omni Ballroom

PANEL MODERATOR: Mark Piazza, API

- **Don't Let Your Dead Legs Interfere with Facility Integrity (20 minutes)**
 - Eric Schwartz, Shell Midstream
- **Learnings on the Role of Human Performance from a Gasket Failure During Tank Re-commissioning (20 minutes)**
 - Judson Wisner, ExxonMobil
- **Panel Q&A (5 Minutes)**

10:30am CDT **Networking Break**
Location: Omni Foyer

Application of Lessons Learned from Incident Analysis (Session 2)

10:45am CDT **PANEL MODERATOR: Josiah SooTot, ExxonMobil**
Location: Omni Ballroom

- **Valve Release and Application of Lessons Learned to Address Similar Risks** (20 Minutes)
 - Dan Gilfillen, Marathon Petroleum
- **Analysis of Offshore Pipeline Incident Data to Develop Line 5 Monitoring Program** (20 Minutes)
 - Philip Hestvik, Enbridge
- **Panel Q&A** (5 Minutes)

Advancing Pipeline Inspection & Repair Through Operational Improvements (Session 1)

11:30am CDT **PANEL MODERATOR: Jake Haase, Colonial Pipeline Company**
Location: Omni Ballroom

- **In-line Sensing Based Leak Detection and Localization** (20 Minutes)
 - Nikolaos Salmatanis, Chevron
- **Safety Considerations for Repair of Illegal Hot Taps** (20 Minutes)
 - Jorge Luiz Pascotto da Costa Filho, Transpetro
 - Juter Isensee, Transpetro
- **Panel Q&A** (5 Minutes)

12:15pm CDT **Lunch**
Location: Omni Foyer

Advancing Pipeline Inspection & Repair Through Operational Improvements – NDE Focus (Session 2)

1:00pm CDT **PANEL MODERATOR: Jake Haase, Colonial Pipeline Company**
Location: Omni Ballroom

- **P66 Pipeline NDE Journey** (20 Minutes)
 - Josh Bremner, P66
- **NDE Lessons Learned for Crack Management** (20 minutes)
 - Axel Aulin, Enbridge
- **Panel Q&A** (5 Minutes)

Learning from Incidents - Emergency Response Preparedness and Communications

1:45pm CDT **PANEL MODERATOR: Mark Piazza, API**
Location: Omni Ballroom

- **TC Energy Update on MP 14 Incident** (25 minutes)
 - TBD, TC Energy
- **Lessons Learned from Satartia, MS Incident** (40 Minutes)
 - Ryan Jacob, Denbury
 - Kevin Dahncke, Denbury
 - Dr. Mike Lumpkin, CTEH
- **Panel Q&A** (10 Minutes)

3:00pm CDT **Networking Break**
Location: Omni Foyer

American
Petroleum
Institute

Integrity Management Learnings from Industry Incidents

3:15pm CDT

*Location: Omni
Ballroom*

PANEL MODERATOR: Brittany Bell, ONEOK

- **Pipeline Bending Strain Response Criteria for Geohazards Management** (20 Minutes)
 - Roberto Landazuri, ExxonMobil
 - Fernando Curiel, ExxonMobil
- **Rocks and Pipelines Don't Mix** (20 minutes)
 - Lily Shi, Shell Midstream
- **Assessment of Corrosion by Population Probabilistic Analysis** (20 Minutes)
 - Connor Michels, ExxonMobil
- **Girth Weld Pinhole Release** (20 minutes)
 - Karim Kabbara, Marathon Petroleum
- **Questions** (5 minutes)

4:50pm CDT

*Location: Omni
Ballroom*

Closing Remarks – Mark Piazza, API

5:00pm CDT

Location: Omni Foyer

Reception
