October 19-22, 2026 | Hyatt Regency Austin, Austin, TX

and Exhibit  
Prospectus

The work of the problem-solvers  
of our industry is never done.

Dear Sponsor/Exhibitor,

Thank you for your interest in the 2026 API Storage Tank Conference & Expo.

The program Planning Committee has been hard at work developing a fantastic program for 2026, and we are excited to see everyone in-person this October.

We are pleased to provide the 2026 sponsor/exhibitor information below. The 2026 Conference and Exhibition will follow the October 19-20 API-NFPA Safe Tank Entry Workshop, and the October 20 STI-API Course.

NOTE THAT ALL SPONSORSHIPS INCLUDE AN EXHIBIT BOOTH.  
PRIME BOOTH LOCATIONS ARE RESERVED FOR SPONSORS AND  
NOTED ON THE CONFERENCE WEBSITE.

**If you are a Platinum Sponsor**, you can purchase your sponsorship online immediately.

**If you are an exhibitor**, you purchase your exhibit booth online on **June 10, 2026**.

As you are aware, the API is not a “trade show company”, and this conference prides itself in being “conference first”, with a program targeted to high-level tank professionals. As a result, each year we, limit the total number of booths to 35 exhibitors. We find that this ratio of exhibitors to attendees is the “sweet spot” for both audiences.

Because all sponsorships include an exhibit booth, the number of exhibitor-only booths available is dependent on the number of sponsors. To guarantee a booth—and certainly a prime location—I encourage you to consider sponsoring.

Please check [www.api.org/storagetank](http://www.api.org/storagetank) to purchase.

Sincerely,

Matthew Cunningham
