

2027 PIPELINE CONFERENCE & EXPO

PIPELINE, CONTROL ROOM AND CYBERNETICS

2027 Abstract Submission Guide

Pipeline to Possibilities: Securing Energy, Shaping Futures

Every year, the American Petroleum Institute (API) hosts a Pipeline Conference & Expo that brings diverse industry professional from across the globe together to share information and ideas of the latest trends, topics and insights of the oil and gas industry. And, every year API publicly solicits a Call for Abstracts attracting some of the brightest minds and leaders in the industry areas of pipeline, control room, and cybernetics segments.

Deadlines

- **NOVEMBER 8, 2026** – Last day for abstract submissions
- **DECEMBER 29, 2026** – Planning committee communication about abstract selection to all submitters
- **JANUARY 31, 2027** – Last Day for presentations and/or session content to be uploaded for committee review
- **FEBRUARY 28, 2027** – Final Conference presentations from speakers. No changes beyond requests from API legal will be accepted after this date

Submission Guidelines

Submit a complete, clear, and industry-focused proposal through **SessionBoard** by the submission deadline. Proposals that clearly demonstrate value to the industry and meet all requirements are best positioned for consideration.
